

# Lickety Zoom – Participant Online Agreement

**Participants at our Zoom sessions agree to Lickety Spit's online session rules:**

- Adults need to help children to get online and stay in the room during the session. *These are family Storyplay sessions so they are about a shared family experience. We know this really helps the children get even more from the sessions and parents/carers tell us they they enjoy them as much as their children! When you live with children you have a chance to reconnect with your own playfulness which is as therapeutic for adults as it is for their children. This shared experience is at the heart of Storyplay.*
- Please do not eat during the sessions.
- Please put your device in landscape mode so everyone can get up and move around to participate in the session, and still be seen by the group.
- Please ensure there is no background noise (e.g. TVs should be turned off)
- Please arrive on time - latecomers will not be admitted

## Resources

For more information on internet safety, visit: <https://www.licketyspit.com/mums-3>

ZOOM SAFETY Tips <https://saferinternet.org.uk/guide-and-resource/what-is-zoom-a-guide-for-parents-and-carers> Safer internet recommends adults always accompany children while they are on Zoom.
