“Lickety spit do games, rhymes and songs like no-one else! It’s a powerful tool for adults and children working together. You’re sharing as you go. You love the rhythms, the tune, you can shout it, you can use your body.”

**Family Art Voyage Artist, Storyplay Festival**

# Introduction

**Licketyspit** is an early years theatre and play charity and the home of *Storyplay Scotland*. Storyplay is an approach and methodology using drama and play which is strongly rooted in a children's rights-led practice, developed over nearly 20 years. This powerful creative work comes directly from child consultation between actors and children – as experts in play. It shows children have a strong sense of their own needs and can easily communicate these to adults who know how to consult them. Licketyspit believes the language of children is play and that to ensure children have their rights, adults working with and for them benefit greatly from re-learning their ability to engage with children through play. Play is a serious business and the ability of early years children to claim their rights and express their views, should never be under-estimated.

Intergenerational Storyplay demonstrates the value for children and adults of enabling our youngest children to play an equal and active role in society, by increasing their visibility and amplifying their voices. Children's needs are universal human needs. And just as children need adults who can engage equally with them through the language of play, adults flourish and thrive best when we too are at ease with our playful selves – arguably the essence of our identities as human beings. In this way Storyplay not only supports children's confidence, emotional and social development, language and literacy but increases resilience and skills among parents and professionals, strengthening whole families and communities and supporting children's rights.

Licketyspit's *Storyplay Schools Residencies* support a school or nursery to become a *hub* for child centred, language-rich, inclusive culture, beginning at school or nursery and spilling out into intergenerational understanding and appreciation, at home and in wider communities. *Porridge & Play Community Hubs* become a place for families and professionals across a community to share and enjoy the benefits of Storyplay, supporting integration, friendship and imagination. Licketyspit's *Children & Families Network* of 900+ families is a 'family of families'

and fosters year-round community and solidarity, both online and in-person, among the increasing number of families who seek to access Storyplay.

Theatre is a universally accessible highly flexible artform. It essentially only needs a group of people and a space. Licketyspit's *Storyplay* practice is led by specialist actor-pedagogues – experienced actors with strong improvisational skills and rights-based engagement skills. They train with early years children in the areas where Licketyspit focusses our work – areas where many families experience poverty, isolation and/or trauma. The actor-pedagogues are highly effective in supporting local family and professional Storyplay Champions and volunteers to deliver Storyplay alongside them. They can support any groups – with 3-8 year olds at their heart – to enjoy successful Storyplay, including those with wide-ranging support needs.

Storyplay nurtures a child centred, inclusive, play and language-rich culture. Early years children effectively lead their peers, teachers, carers, parents, families and communities into their particular brand of limitless, hilarious and joyous imaginary play, where co-operation, kindness, sharing and fairness are the norm. In *Storyplay we can be anyone, do anything and go anywhere*. When we experience this in play, we increasingly believe that we can also find it in our lives.

“It's a lovely opportunity to share your ideas, games and to live in your childhood.”

**Mum, Bridgeton**

**In 2022/23** Licketyspit's flagship National Lottery Community Fund project – *BIG Porridge & Play Glasgow (BPPG)*, which had been delivered extensively online throughout the Pandemic, came back into our communities as in-person sessions.

BPPG'22 returned to Whiteinch and Ruchill where it had first begun in 2017, and for the first time in-person, to Govan. This project culminated in a spectacular Xmas Ceilidh at Licketyspit's base at CCH in Maryhill in December with over 50 families!

A year of New Scots Integration Funding (Sept'21-Oct'22) supported an extensive programme in 3 new Porridge & Play Hubs in Glasgow's Cranhill, Bridgeton and Castlemilk. This project was co-hosted by local Storyplay Champion families and professionals. Participating families developed the content for 22 AllScot Playcards (featuring new and old games, rhymes and songs from Scotland and around the world). The project culminated in Licketyspit's first Storyplay Festival on Glasgow Green.

Online Storyplay has established its continuing relevance in enabling isolated families from a wide geographical area to meet, make friends and play together without the impact of travel or travel costs. This continued within BPPG'22 and Storyplay City (Glasgow City Council Communities Fund) and reached new creative heights as participating children demonstrated remarkable levels of patience, generosity and creativity.

“I wish I could come here everyday. I love going to Licketyspit it gives me more energy. I always draw and sometimes play at home.”

**8 year old, P&P Cranhill**

In 2022/23 Licketyspit also completed our first ground-breaking collaboration with Scottish Women's Aid, who identified Storyplay Champion training as an innovative way to introduce new tools and skills to support women and children recovering from domestic abuse – together, for the first time.

Licketyspit continues to work in partnership with schools & nurseries; local authorities; Scottish Government; GCVS; Scottish Refugee Council; Scottish Women's Aid; The Children's Parliament, Together, Children in Scotland, Cranhill Development Trust and other 3rd sector organisations working with children and families. We are increasingly sharing our Storyplay practice and methodology and being invited to share our expertise in rights-based child consultation with 3-12's with multiple partners, including Scottish Government.

**2021/22** saw continuing recognition for Licketyspit's pioneering Have your Say Through Play project, in support of the GIRFEC Refresh, when we worked with Zero Tolerance to consult children about the values and principles of Scotland's landmark children & families policy, Getting it Right for Every Child.

While our Glasgow Council funded Storyplay City project has now come to an end, we have begun 2023/24 with year-round Porridge & Play for 7 communities - Bridgeton, Castlemilk, Cranhill, Govan, Maryhill, Whiteinch and Online, supported by the National Lottery Community Fund. We hope you will enjoy this summary of Licketyspit's adventures and discoveries in our 2022 Annual Report.

# Porridge & Play Hubs

September 2021 - September 2022

## 'Bridgeton, Castlemilk & Cranhill'

Thanks to one-off funding from the New Scots Integration Fund, (Scottish Government/ COSLA/ Scottish Refugee Council part funded by the EU Migration Fund), Lickety Spit was able to establish three new **Porridge & Play Hubs** in the Glasgow communities of Bridgeton, Castlemilk and Cranhill. Sessions were co-hosted by Family and local Professional Storyplay Champion volunteers. We ran lots of tasters in schools and nurseries. Local children who had become Lickety Spit regulars online during the Pandemic, made a film to introduce the project in their communities and supported busy launch sessions. Our community partners were Indigo Childcare, Church House & Cranhill Development Trust, (you can find the Picnic & Play partners on the webpage.)

"There is a really great group called Porridge & Play. We play lots of games and go out and about!"  
**Child, P&P Castlemilk**

An amazing **754 people took part in over 100 sessions** including tasters and hub sessions, with families from Scotland, India, Nigeria, Pakistan, Gambia, South Africa, Egypt, Sudan, Poland, China and Iran! 18 Picnic & Play trips took big groups of families from these communities to The Tall Ship, Riverside Museum, Hunterian Museum, Glasgow Science Centre, A Canal Boat, and the Storyplay Festival. We had our first Picnic & Play at the beach and in the mountains with P&P Castlemilk going to **Troon** and P&P Bridgeton going to **Balloch Castle Country Park!**

The Porridge & Play Hubs brought together new and long-standing Scottish families. In the final block they used imaginary play to share their countries, their culture, their childhoods and their games – past and present! 22 games & rhymes were shared and created by these families, drawing on childhoods from Glasgow's Gallowgate to Sudan! These will now become the AllScot Playcards, a new set of Lickety Playcard games to build into the Storyplay repertoire, which wonderfully convey Scotland's rich multi-cultural heritage.

"This group is fun for kids and also for making new friends - it's really good for kids and adults as well."

## 'Willy, Willy, Willy, Willy Oh!' (Change your Style!)

(Song / Circle Game - Shared by Beauty & Genesis)

Everyone stands in a circle holding hands. Someone starts as the action 'caller'.

Swinging your arms gently, everyone sings the song:

Once the song is finished the 'caller' says:

*Change your style! Another style!*

Everyone has to change position, making a different shape with your body, until the caller says

*Stay like that!*

Then everyone has to FREEZE in whatever position they have ended up in! The idea is to stay as still as a statue!

After a few turns, the fun begins all over again!

Willy Willy Willy Willy Oh!  
 Mother in the kitchen  
 cooking rice  
 Father in the parlour  
 watching film  
 Children in the garden  
 play football  
 Change your style!  
*Stay like that!*

## Chaos Tag!

(Shared by William & Ahyan)

Chaos Tag is Tag with a TWIST! Everyone is 'IT'!

Everyone runs around tagging each other, since everyone is 'IT' anyone can be tagged at any time!

First start the game with those who are tagged sitting down where they are. Once everyone is sitting down and there is only one person left standing, you can start the game again.

The second time you play the game add another TWIST! After all it is called Chaos Tag for a reason!

When a person is tagged in the second round they sit down, but they can be brought back into the chaos if someone plays 'Rock, Paper, Scissors' with them and they win!

You can end the game when only one person is left again or once everyone is finished playing!

Shared by William & Ahyan

William & Ahyan became friends at Porridge & Play Bridgeton. They both love playing this game so they shared it with the group together!

The ALLSCOT Playcards were created by children & families who were a part of our Porridge & Play Hubs Castlemilk, Cranhill & Bridgeton! This was our 2022 New Scots Integration Project designed to bring families together through play, kindness & inclusion!

Licketyspit associate artists - Ghanaian Dancer Adie Baako, Designer Ali Maclaurin with mini-world creation, Artist Catherine Lindow with Drawing Sound Stories and the wonderful Scottish Poetry Slam Winner'22 and master of Scots Language Hamish Macdonald with songs and poems! Actor-Pedagogue Andre Anderson brought his recently choreographed Dance piece - Playing Together. An array of delicious food was provided by multiple families including Jolof Rice, samosas, coriander potatoes, Persian dolmeh and Kurdish cucumber salad. The Festival was opened by Storyplay Ambassador and champion Zainab Adeleye and attended by Licketyspit's newest Ambassador, Sanjeev Kohli as well as our friends Play Scotland.

The Lickety Mums & Dads celebration Picnic was a feast to behold!

Virginia, Ruby and Lickety Mum, Beauty presented about the project at the New Scots Annual Conference at Glasgow Concert Hall in November 2022. Film maker Ruth Barrie and colleagues captured the project in a wonderful documentary – 20 min film and 5 min trailer both found at [www.licketyspit.com/newscots](http://www.licketyspit.com/newscots)

The Festival was also supported by Creative Scotland.

# Women's Aid Storyplay Scotland

November 2021 - March 2023

**Women's Aid Storyplay Scotland** was a pioneering pilot project delivered online in partnership with Scottish Women's Aid and workers from 11 Women's Aid groups across Scotland. Trainees developed new tools, a deep understanding and practical experience of the Storyplay approach, with the aim of incorporating it into their work with mothers, children & young people recovering from domestic abuse. Intensive training led to online co-delivery with clients which showed Storyplay to be a flexible transferable skill which can nurture self-care, new children's rights-based engagement skills and support workers to have greater access to and understanding of the way that their unique creativity can be used to support clients in recovery from trauma. The report and evaluation will be widely available and its hoped the first Women's Aid Storyplay Handbook and further training across Women's Aid groups in Scotland will bring further benefits from this landmark collaboration.

Many congratulations to all the Women's Aid Storyplay Champions from Lochaber to Wigtonshire who finished their training and co-delivery course with us!

“The fun left the family for a while and I didn't know how to 'fix this.’  
 Storyplay has given me the tools to learn how to play using imaginary play, the kids seeing me laugh and have fun has opened them to enjoy themselves again”  
**Mum, WA Storyplay**

# Big Porridge & Play 2022

6 years of Big Porridge & Play

The 6th year of **Big Porridge & Play Glasgow**, saw 7 popular weekly online Saturday sessions. A programme of 17 Taster sessions in local schools and nurseries together with participation in All of Us Govan event with the NSPCC and Linthouse Parish Church, preceded new 6-week blocks of Porridge and Play at Hubs in Ruchill, Whiteinch and Govan.

We returned to Whiteinch Library and moved our location in Ruchill, running sessions at the Golf Pavillion now home of our friends North United Communities. It was great to have longstanding Storyplay Champions Franky & Zofia in Whiteinch, Champion & Board Member Boatemaa with her children Gabby & Emmanuel, as well as Daniel and his 4 boys, another one of our 2019 volunteers in Ruchill!

We took in-person Porridge & Play to Govan for the first time where we had a fabulous time at the Pearce Institute with support from our wonderful Storyplay Champions and soup-makers extraordinaire Bimbo, Toby and Dami together with Amir (8) and Ameen(10) who can be seen leading interviews in Helen McCrorie's wonderful fly-on-the-wall documentary about this year's project – 20 min documentary and 5 min trailer which can both be found at

[www.licketyspit.com/bppg22](http://www.licketyspit.com/bppg22)

We also introduced three new Licketyspit actor-pedagogues for this project. Welcome Camille, Paul & Marie Louise!

Regular session participants included 135 children and 66 parents/carers from 58 families, 26 of whom were new to the Licketyspit community.

We celebrated BPPG Glasgow, together with our New Scots Integration Project, at our first **Licketyspit Christmas Ceilidh**. This was funded by TNLCF with additional support from our generous donors, who helped us gift 'Storyplay Sacks of Fun' to all attendees.

"Playing with friends. I had fun.

91 children, 53 parents/carers & 3 professional guests attended. We also had help from 8 volunteers.

# LicketyMums

September 2021 - March 2022

LicketyMums started in March 2021 supported by the Scottish Refugee Council Community Resilience fund. In 2022/23, the second year of LicketyMums, we welcomed 26 Mums to our online play, wellbeing and support sessions. Some mums even join from the bus or while cooking! There is a great sense of community and sisterhood in the project, which also joins up with our family sessions where Mums support the AP teams.

5 Lickety Mums and 2 Dads prepared food for our Storyplay Festival in September 2022

5 of our Lickety Mums came to help us prepare party bags and decorations for the Christmas Ceilidh in December and 2 cooked the food for the event.

We delivered 17 LicketyMums sessions in total.

“I feel like partying with my fancy dress!  
If you see me wearing a dress like this,  
you know that I’m HAPPY”  
**Lickety Mum**

# Storyplay City

January - March 2023

In the final year of Storyplay City, we ran a series of 8 online Storyplay sessions on Saturday mornings and 4 pop-up Porridge & Plays at our Castlemilk, Cranhill, Govan and Maryhill hubs. We worked with 46 children from 18 families online, and 57 children from 28 families at our in person sessions.

**Storyplay City** was supported by Glasgow City Council’s Communities Fund. Beyond this funding, it represents our ambition to make Glasgow the first Storyplay City with lots of Hubs, Champions and families engaging in Storyplay to improve their happiness, wellbeing and rights.

“Everyone is really nice & kind.”

# 2021/22

## Activity Summary

**We were so busy in 2022 that we weren't able to publish a 2021/22 Annual Report. Many of the projects listed in this report started in 2021/22. What follows are our distinct 2021/22 activities.**

# Big Porridge & Play 2021

April 2021 - July 2021

This year of BPPG included 19 online sessions spread over 9 weeks.

We had some new participants but many had been taking part for some time, which led us to dive deeper into the Storyplay games and explore sessions like **Bold Margaret & Worried Margaret** (from LicketyLeap), **Expert Characters** and the **Olympic Games of Games!**

BPPG'21 also included 8 outdoor sessions at **Elder Park, Kelvingrove Park, Linn Park** and **Tollcross Park**.

It was fantastic to meet in person with nearly all the families participating in the project, in spite of the continued challenges posed by Covid-19. Our outdoor sessions included adaptations to games to maintain physical distance, and picnics of samosas and fruit, some of which were provided by Lickety Mum Amina!

# Storyplay for the Planet - East Centre Ward Residency

October 2021 - March 2022

As part of the Glasgow Creative Communities Artist in Residencies project, we delivered **Storyplay for the Planet**, in the East Centre ward, mainly working with schools, nurseries & families in the Cranhill & Barlanark communities. We held 6 **school** and **nursery** sessions, 4 community sessions and 4 **online workshops** with around 150 participants.

We launched a Zine at the end of the project, filled with the stories, illustrations and ideas the participants came up with, on the theme of climate change.

Read the Zine [www.licketyspit.com/storyplay-planet-zine](http://www.licketyspit.com/storyplay-planet-zine)

# Family Art Voyage

July 2021 - November 2021

Following two successful pilots with Adie Baako and Amy Geddes, in 2021 we secured funding from Awards for All to hold 18 online **Family Art Voyage** (FAV) sessions.

In July we did a call out for artists and in September we held auditions where some of our participants helped us select the artists from a shortlist of 10.

7 artists were invited to deliver 3 sessions each to our Wednesday, Thursday and Saturday groups (Adie & Thomas delivered as a pair). They were: **Adie Baako** (dancer) & **Thomas Annang** (drummer), **Ali Maclaurin** (set designer), **Hamish Macdonald** (poet), **Caitlin Forbes** (actor/musician), **Jaz Grady** (visual artist) and **Catherine Lindow** (illustrator).

# Have Your Say Through Play

November 2021 – GIRFEC Consultation

A Storyplay consultation with 18 children (95% refugees) about the Scottish Government's GIRFEC Policy – *Getting it Right for Every Child*. This *Have Your Say Through Play* project was developed with support from Zero Tolerance.

On the whole family approach of GIRFEC, one 6 year old told us "Need to tell mummy so she might know what to do."

The importance of fairness and non-discrimination was deeply understood by the children, with one describing the importance of non-discrimination as "because it hurts them inside." Arshad, 10

Discussing "equitably tackling inequality" we asked, 'is there anything people can do at school to make sure you are all treated fairly?' The children replied:

"They make sure they spend time, they help everyone equally not just staying with one person." 8 year old; "An example of when people have been showing equity with all kinds of races is when we are playing football they are showing teamwork and including everyone." Glory, 9
